Dear Posey:

You asked me to write you, and confirm the dates of July 20th for The Eagles to play The Grays a game in Columbus Ohio for the Elks benefit.

You also want confirmation of the date June 26, when The Grays are scheduled at Newark. This game will also be for the benefit of The Elks.

I would like to know what the arrangements are. Please let me hear from you as soon as possible on it as I am planning my publicity program, and I want to know just when to start talking about it.

I hope your plans are progressing for the coming season.

Very Truly Yours
